

※ A mockable suit.

I wish we could play together forever.

Heh heh, it sure is fun to play with all of you.

That might result in death from overwork...

we could always play together...

...if only

Eh! It's because of that? Are you hurt!? Are you alright?!

Belle suddenly sunk into silence...

When you did that throw, you could've hurt her somehow, don't you think?

Good!?

I also... together always...

I'm good...

This is... she's losing control of herself due to grief and tiny breasts!

This time it's Chisato!?

Ugh! Jellyblobs! Must destroy...

Judo shoulder throw!?

Ah... No way, that's...

You're only hurting yourself...

The warmth of jellyblobs on the back of my head...

She said
"sorry, I
have to go".

Huh?
Belle
is...

Because
she's been
neglecting
a promise.

sigh...
But if
you
don't
want to,
it can't be
helped...

I'll get rid
of these
socks...

Ah...
wai...

However
she looked
unusually
cheerful as
she left...

Huuh?
Strange...

I think
it'll be
alright.
With this
Himeri...

Belle

Something
good

must've
happened.

Himeri!
Wait...

About
that...
I...

The volume 1 of *Haiko Dolls* is now complete. The manga is still ongoing with Volume 2 tankobon expected to be released in summer or fall 2016. I don't currently have the capability to produce scans from the magazine (*Manga Time Kirara MAX*), so it's likely there will be no new chapters released until Volume 2 comes out. Please check out my other releases in the meantime.

One more thing. This translation omits some honorifics for the purposes of clarity. For those who really care about this kind of stuff, here's the complete table of honorifics and personal pronouns that characters use to refer to each other.

<i>caller \ callee</i>	Chisato	Himeri	Belle	Rarie	Ko-san	Ri-san	Mikane	Nana
Chisato	<i>watashi</i>	<i>-chan</i>	<i>-chan</i>	<i>-chan</i>	<i>-san</i>	<i>-san/chan</i>	<i>-san</i>	<i>x</i>
Himeri	<i>-san</i>	<i>watashi</i>	<i>x</i>	<i>x</i>	<i>-san</i>	<i>x</i>	<i>-nee</i>	<i>-chan</i>
Belle	<i>x</i>	<i>x</i>	<i>watashi</i>	<i>x</i>	<i>-san</i>	<i>x</i>		
Rarie	<i>x</i>	<i>x</i>	<i>onee-chan</i>	<i>watashi</i>				
Ko-san	<i>x</i>	<i>x</i>	<i>x</i>	<i>x</i>	<i>watashi</i>			
Ri-san	<i>x</i>	<i>x</i>	<i>x</i>	<i>x</i>		<i>boku</i>		
Mikane	<i>-san</i>	<i>x</i>					<i>watashi</i>	

x means no honorific is used, blank square means the character was never called by name by this specific character.

Note that science chief uses personal pronoun *boku* which is mostly used by males. This allows to make her second appearance more surprising. For this reason, in the translation of chapter 9 her gender is specifically never stated.

Anyway, thanks for reading and please support the original author.
